FROM THE MASTHEAD
CHOPTANK FLEET
SCORING SYSTEM REGISTRATION
For the ORR-Ez System

To get your certificate/rating for your boat which will be needed to race this year please follow the steps below asap as they all have to be reviewed by their staff.

Go to **Regattaman.com**

Along the top click on "**Certificates**"

This will take you to the page where you pick the type of certificate you need.

On the top left of this page make sure it is on the "ORR-Ez" tab then click on the "**All ORR-Ez Certificates Apply/Renew**" button.

That will take you to the page where you fill out all your boat information. Should there be an abbreviation of required info that you are unaware of you can go back to the previous link and click on "ORR-Ez Cert Form Glossary" that will list all the abbreviations and what they stand for.

A screenshot of the page is on the next page so you can see what info you will need before starting the process. The initial certification is \$100 and \$80 to renew every year. In some cases if they don't have your boat on file or need more info there is a second sheet which I have taken a screenshot of that has a LOT of detailed information.

We are in the Mid-Atlantic region and ESSA is in the list of clubs when you see those boxes to click on. If you have any questions I will try to help if possible. My contact info is on the bottom-left of this page.

Boat Information 2024 ORA Certificate Application

Please note that currently multihull boats cannot be processed for certificates using this form.

Boat Type:

*** Do not include year the boat was made in search.*

Boat Modified?:

Boat Name:

Leave Blank if the boat has no name

Sail Number:

(Letter prefix followed by Numbers Only!, If you do not have a sail number or do not know it, leave this empty)

Year Built:

Optional Information:

(Highly Recommended for Certificate Applications)

Designer:

Builder:

Optional Information:

Hull color:

(include markings or other distinguishing features)

Yacht Club or Association:

(If your club does not appear, please select "Other" for now)

Length Overall(LOA): (ft)

Draft at a Mooring: (ft)

Mooring Location:

SUBMIT

Cancel/Exit

Units: English

(HINT: Any heading in blue typeface can be clicked on to see a full definition of the item.)
